Become a Chartered Project Professional

APM Chartered Project Professional (ChPP)

APM Training Provider Accreditation

ChPP status is the benchmark for project delivery professionalism, and is the most sought after accolade in the profession. Achieving ChPP Status is a visible and verified demonstration to your ongoing commitment to ethics and professional development.

COURSE DETAILS **LEVEL** EXPERT | **PRE-REQUISITES** DEPENDANT ON ROUTE TAKEN

Your route to Chartered (APM Pathway 3)

1. **Check your eligibility**
   You'll need a degree plus 3 years project experience or 5 years without a degree within the last 8 years.
2. **Get your APM PMQ with us**
   Complete your Project Management Qualification (PMQ) with Training ByteSize, online, virtually or as a blended option. If you already hold a PMP, skip to step 4.
3. **Validate your PMQ with APM**
   APM confirms your experience counts towards Chartered status. This is free and takes up to 10 working days.
4. **Prepare with Training ByteSize**
   Attend a 1 day workshop with a ChPP mentor. You'll get an expert review of your competence statements and coaching on layout and structure.
5. **APM written submission**
   Submit your application, covering one to four project overviews, competence statements, 12 months of CPD and two proposers.
6. **Interview prep call**
   Join a focused preparation call with your mentor to build confidence and make sure you're fully ready for the interview.
7. **APM interview**
   A one hour interview with APM. Pass and you'll be awarded Chartered Project Professional (ChPP) status.

Please note: APM Pathway 3 assessment and interview cost not included. This cost is payable to APM at $1,695+GST per person.

Ready to become Chartered?
