Training ByteSize

BUSINESS ANALYSIS FOUNDATION

bcs Accredited Training Partner

ONE OF THE FASTEST GROWING QUALIFICATIONS IN THE MARKETPLACE TODAY -
DELIVERED THROUGH AN INNOVATIVE, ENGAGING E-LEARNING COURSE

WHAT IS THE BUSINESS ANALYSIS FOUNDATION QUALIFICATION?

This BCS accredited Business Analysis training e-learning course covers the range of concepts, approaches and techniques that are applicable to anyone thinking of, or currently in, a Business Analyst role.

One of the fastest growing qualifications in the marketplace today, the role of the Business Analyst has become more important to organisations to help understand their structure, policies, and operations, and to recommend solutions that enable them to meet their goals.

THIS COURSE WILL:

✓ Provide an overview of the ever important Business Analyst role, and covers the broad range of techniques used within the structure of the Business Analysis process model.

✓ Show the links between the Business, the users and IT, and the valuable contribution the Business Analyst makes and the tools and techniques they have at their disposal.

WHAT DOES THIS COURSE OFFER ABOVE OTHERS?

This course has been developed in-house by Training ByteSize who hold in excess of 20 years' experience in building innovative, interactive learning products.

Our training allows individual learners and global organisations to tap into a platform where collaborative learning is presented in intuitive ways – for key concepts that are understood and training that engages.

The course will take approximately 15 hours to complete. We use animation, audio and exercises to create an interesting and involved training programme. The course also features forums, discussions, resources, social media and support videos which are all bought together, seamlessly, in one singular platform.
